Our Results & Findings

Work Order: This is your Quarterly Inspection. **CLOCK HAS A LOCK – NO POWER TO SOLENOID.**

Notes/ Findings: The technicians were onsite to complete your wet check but were unable to. The techs have noted that there is “NO POWER TO THE SOLENOID”. There was a “**LOCK ON THE CLOCK**”.

THE MONTH OF AUGUST: Working outdoors in Florida’s August heat requires careful planning to ensure worker’s safety and well-being. The hot and humid weather, while challenging, also promotes rapid plant growth, leading to a continuous need for mowing, trimming, and other maintenance services.
