## Our Results & Findings

**Work Order:** This is your Quarterly Inspection. **NO CHANGE FROM PREVIOUS REPORT.**

**Notes/ Findings:** The technicians were onsite to complete the Wet Check. Your Clock was on the "AUTO" position. There was "NO START TIME" on the Clock. Other than that, the Clock and Index Valve are both Functioning properly. They Cleaned and adjusted your Sprinklers. They have left your Clock on the "AUTO" Position. 😊

**THE MONTH OF AUGUST:** Working outdoors in Florida's August heat requires careful planning to ensure worker's safety and well-being. The hot and humid weather, while challenging, also promotes rapid plant growth, leading to a continuous need for mowing, trimming, and other maintenance services.
