## Our Results & Findings

**Work Order:** This is your Quarterly Inspection. **NO CHANGE FROM PREVIOUS REPORT.**

**Notes/ Findings:** The technicians were onsite for your Wet check, and they have noted no change. There was "NO TIME OR DAYS" noted. Your Clock and Pump are both Functioning properly. They Cleaned and adjusted your Sprinklers. They have left your Clock on the "AUTO" Position, so the grass does not dry out or start to have brown areas. 😊

**THE MONTH OF AUGUST:** Working outdoors in Florida's August heat requires careful planning to ensure worker's safety and well-being. The hot and humid weather, while challenging, also promotes rapid plant growth, leading to a continuous need for mowing, trimming, and other maintenance services.
